Award certificate

The Nisshokai General Assembly which holds an award ceremony every year had to be cancelled due to the new coronavirus pandemic. The award certificate and the trophy were instead sent directly to us from Nissan.

TACHI-S is working on quality assurance based on the idea of continuing to provide products that the customers can trust and are impressed.

We are proud of our award due to continuous efforts, and will continue to strive for performance improvement in order to further improve quality and earn the trust of our customers.
