## TACHI-S Renews its corporate Website

TACHI-S Co., Ltd. (President: Yuichiro Yamamoto, Head Office: Ome, Tokyo) celebrated its 70th anniversary on April 7, and at the same time made a complete renewal of its corporate website.

The renewal is intended to enhance the information on the company's website so that all stakeholders can deepen their understanding of the company's business activities and initiatives, and to improve its structure and accessibility so that visitors to our corporate site can reach the information in a smooth manner. We will continue to make every effort to provide an up-to-date information of our company activities through our website so that our stakeholders can feel more familiar with our company.

An overview of the renewal is as follows:

### 1. Overall Design

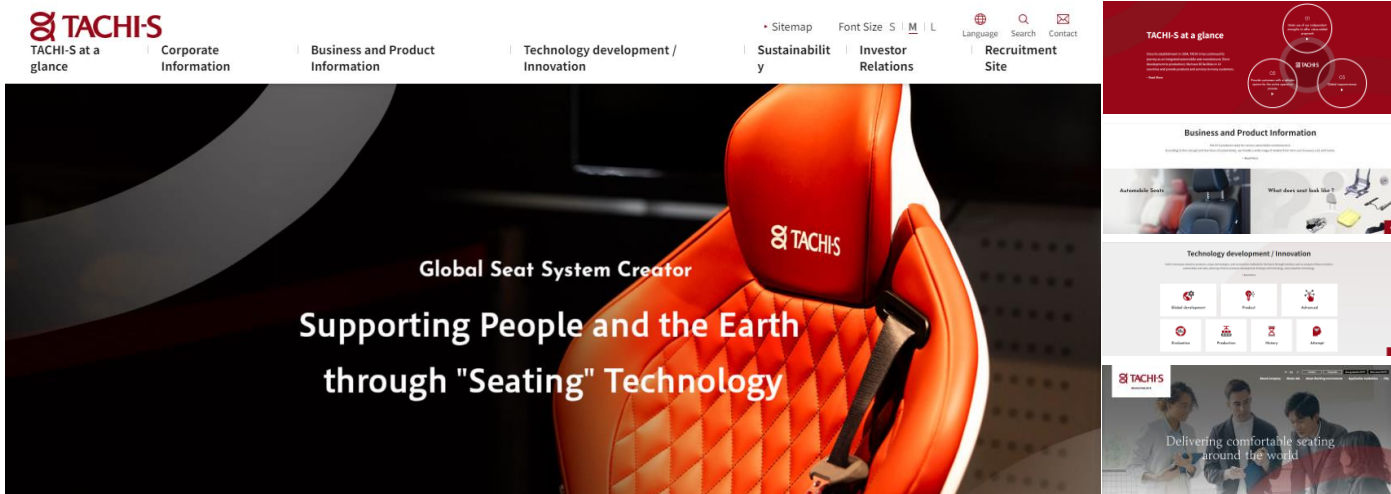

The website is designed with "TACHI-S red" and white as the basic color scheme, which is both "trustworthy" and "sincere" in character. The site is also designed with simple colors to ensure legibility of text, and a site structure that allows visitors to reach the content they want to see without stress.

### 2. New contents to deepen understanding of the Company

New content has been added to provide a concise understanding of TACHI-S's history, characteristics, and business activities. ("[TACHI-S at a glance](#)", "[Founders/Origin of the Company Name](#)", "[TACHI-S in numbers](#) (Recruitment Page)")

### 3. Enrichment of information

In the "[Business and Product Information](#)" and "[Technology development / Innovation](#)" sections contain much information on our products for our customers and our technological capabilities. In "[Investor Relations](#)" section, much more information on our medium-term management plan and performance highlights is provided.
