

Announcement of Participation in H.C.R. 2025 The 52nd International Home Care & Rehabilitation Exhibition & Forum

TACHI-S H&P Co., Ltd. (President: Takuya Hori, Headquarters: Ome City, Tokyo), a wholly-owned subsidiary of TACHI-S Co., Ltd. (President: Yuichiro Yamamoto, Headquarters : Ome City, Tokyo, hereinafter "the Company"), is exhibiting at H.C.R. 2025, the 52nd International Home Care & Rehabilitation Exhibition & Forum, to be held at Tokyo Big Sight, West and South Exhibition Halls (Koto-ku, Tokyo) from Wednesday, October 8 through Friday, October 10, 2025. The event is organized by the Japan National Council of Social Welfare and the Health and Welfare Information Association.

This year, TACHI-S H&P is exhibiting jointly with TF-METAL Co., Ltd. (President: Masahiro Takagi, Headquarters : Kosai City, Shizuoka Prefecture), another subsidiary of the Company, showcasing products developed under the concept of "Transforming customer pains into product power." During the exhibition, visitors can see, touch, and experience the products firsthand to discover their unique features and value.

We are sincerely looking forward to your visit.

■ Showcased products

2-motor Electric Chair with Built-in Ottoman (TACHI-S H&P)

Designed to support smooth and safe transfers from a wheelchair. The ottoman is stored beneath the seat, providing ample foot space. Its spacious and supportive seating ensures lasting comfort. A collaborative product with Okawa Furniture. (Proposed item)

Reclining sofa chair (TACHI-S H&P)

As home care becomes increasingly common, this single-seater armchair offers a comfortable alternative to wheelchairs. Equipped with casters for easy mobility, it helps reduce caregiver burden. (Proposed item)

Stand-assist chair (TF-METAL)

Equipped with a mechanism that adjusts lift assistant, this chair helps users when standing becomes a challenge by providing a smooth and natural sit-to-stand motion. (Proposed item)

Seat with standing assistance Sofa-style (TF-METAL)

A new sofa-style chair with stand-assist support. Comfortable for long hours, effortless to rise. (Proposed item)
