TACHI-S has issued its first-ever Integrated Report 2026

TACHI-S Co., Ltd. (President, CEO&COO: Yuichiro Yamamoto, Headquarters: Ome City, Tokyo) has issued its first-ever Integrated Report 2026 and made it available on its corporate website.

This report is intended to provide shareholders, investors, and other stakeholders with a comprehensive view of the TACHI-S Group's approach to long-term value creation, as well as its initiatives, from both financial and non-financial perspectives.

As the automotive industry undergoes a period of significant transformation, TACHI-S is advancing its Mid-Term Management Plan, "Transformative Value Evolution (TVE Wave2 2027)," toward the realization of its 2030 Vision. This report outlines the Company's growth strategies, value creation initiatives through its businesses, human capital management, sustainability activities, DX (Digital Transformation) initiatives, and other efforts aimed at enhancing corporate value.

This Integrated Report serves as one of its key communication tools for engaging with stakeholders. Through proactive and transparent disclosure, the Company will continue to strengthen dialogue with stakeholders while contributing to sustainable social development and enhancing corporate value over the medium to long term.
